

# Video Podcast Assignment - Planning Sheet

Create a 10-15 minute video podcast that informs your audience.

- 1) Pick a topic for your podcast: \_\_\_\_\_
- 2) Outline your podcast (i.e. interviews, personal reflection, music, stories/examples, history, etc...) Be very specific regarding the time frame and detailed notes for each section.

a) See below for an example:

## **Topic: Fly-fishing**

- i. Day and Date, - 15 seconds
- ii. Introduction (personal and topic) - 1 minute
- iii. Intro music queue - 15 seconds
- iv. Main podcast
  - History of fly-fishing - 3 minutes
  - Famous books and brief description of each - 2 minutes
  - Interview with grandfather - 6 minutes
  - Description of gear and equipment - 2 minutes
  - Excerpt from the river Why - 2 minutes
- vi. Favorite personal fishing story - 3 minutes
- iiv. Closing Remarks - 1 minute
